

The Hagan Scholarship

Tips on how to submit a successful application:

1. Start preparing submittal documents now, do not procrastinate.
2. Follow the Instructions when completing the Online Form and when preparing and assembling the Submittal PDF. Incomplete Submittals and Documents not prepared according to the Instructions are not processed.
3. The Personal Essay and Four-Year Plan are important documents. These documents will provide you with an opportunity to distinguish yourself from other high achieving applicants. A well-thought-out Four-Year Plan will provide a Road Map for achieving your Goals. If you need assistance, consult with your high school guidance counselor.
4. Provide high quality PDF documents. Text and images should look crisp and clear, with all pages properly aligned, portrait style. Do Not use photos of documents.
5. Provide a high-quality personal photo in color, head and shoulders only.
6. Double-check ALL of your work. Confirm the correct Adobe PDF has been uploaded to the provided Link.
7. **Provide a personal email address that will be valid for at least one year.** Email addresses cannot be updated until the fall semester of college. Do not use a parent or school email address. We communicate by email only and only with the applicant to avoid miscommunication. Set your Spam settings to receive HSF emails. Do Not forward HSF emails, if forwarded and the recipient “unsubscribes” from receiving HSF emails you will also be “unsubscribed” and will not receive HSF emails.

We only send essential emails, typically only 2 or 3 emails during the application process.

8. Complete the FAFSA at least one month before the Deadline, it may take a week or more to obtain the SAR and your EFC.

The Application Deadline is January 15, 2023. The Link will be removed on that date.
