

The Hagan International Scholarship

Tips on how to submit a successful application:

1. Carefully review the entirety of the Hagan International Scholarship brochure. Familiarize yourself with the scholarship criteria, benefits, features, responsibilities.
2. Start preparing your application documents ASAP, do not procrastinate.
3. Follow the Application Instructions when completing the Online Form and when preparing and assembling your submittal PDF. Incomplete submittals and submittals not prepared in accordance with the Instructions will not be processed.
4. Your Personal Essay will provide you with an opportunity to distinguish yourself from other high achieving applicants and show how well you can write.
5. Provide clear documents. PDFs, text, and images should look like originals, with all pages properly sized and aligned, portrait style. Do not use photos of documents. If you are unwilling to follow the instructions and provide a high-quality submittal do not apply.
6. Provide a high-quality personal photo; head and shoulders only, in color.
7. **Provide your Personal Email Address.** Do not provide a school email address. We communicate by email with applicants only to avoid miscommunication. Your email address will not be updated until after the 2025 fall semester disbursements, typically mid-semester. Set your Spam settings to receive HSF emails. Do not forward HSF emails. If you forward an email from HSF and the recipient of the email “unsubscribes” from receiving HSF emails you will also be “unsubscribed” and will no longer receive HSF emails.
8. Double-check ALL information prior to submitting your application. Confirm that the correct Adobe PDF has been uploaded and the PDF can be opened.

To be fair to all applicants we will not make exceptions to the Scholarship Criteria or Deadlines.

The Submittal Deadline is March 1, 2025. The Submittal Link will be removed after that date.

Sincerely,

Dan Hagan, Trustee
