

# Hagan Scholarship Foundation

*Helping students with financial need graduate college debt-free*

## General Information

Hagan Scholars have attended 745 colleges and universities located in all 50 states and the District of Columbia.

Hagan Scholars must complete their degree within four years, maintain a 3.25 CGPA, and work a minimum of 240 hours prior to the start of each academic year.

## Program History

2008 – Hagan Scholarship Foundation established.

2011 – First scholarships awarded (33). Recipients attended public high schools located in rural Missouri counties. Subsequently expanded to additional states.

2017 – Nationwide. Recipients attended public high schools located in rural counties with fewer than 50,000 residents.

2024 – Nationwide. Recipients attended public, private, charter, magnet, and STEM high schools located in the United States.

2025 – International Graduate Scholarships. A worldwide need-based merit scholarship for international students to attend graduate school in the United States.
